WELCOME TO HAMPI-GOKARNA-MURUDESHWAR WITH JOG FALLS

A trip covering Hampi, Gokarna, Jog Falls, and Murudeshwar offers a diverse experience of historical heritage, scenic beauty, and spiritual exploration in Karnataka, India. Here's an overview of each destination

1.Cliff Jumping- Adventure seekers can enjoy cliff jumping around Sanapur Lake. The activity involves jumping off cliffs into the lake. Ensure safety by checking water depth and local advice.

2.Coracle ride- Traditional circular coracle boats offer peaceful rides on the Sanapur lake.

3.Virupaksha Temple- One of Hampi's most significant and ancient temples dedicated to Lord Shiva. Known for its towering gopuram and intricate carvings, it remains a key pilgrimage site and active place of worship.

4.Hemakuta Hill- Hemakuta Hill is dotted with numerous small temples and offers stunning panoramic views of Hampi, especially at sunrise or sunset. It is an easy climb and provides a great perspective of the Virupaksha Temple and surrounding areas.

5.Lakshmi Narsimha Temple- Home to a large monolithic statue of Narasimha, an avatar of Vishnu. The statue, depicting a fierce form, is partially damaged but remains a significant and iconic landmark in Hampi.

6.Lotus Mahal- Part of the Zenana Enclosure, this structure showcases a blend of Islamic and Hindu architectural styles with its lotus-like dome and elegant arches. It was used by the royal women of the Vijayanagara Empire.

7. Elephanta Stable- Located near the Lotus Mahal, these stables housed the royal elephants. The building features a series of interconnected domed chambers, demonstrating Indo-Islamic architectural influences.

8. Vijaya Vitthala temple- Found in the Royal Enclosure, this well-preserved tank is known for its symmetrical, stepped design. It was used for religious and ceremonial purposes, showcasing the advanced engineering of the Vijayanagara period.

9. Stone Chariot- Located within the Vijaya Vitthala Temple complex, the stone chariot is one of Hampi's most photographed monuments. It resembles a temple chariot and is a testament to the detailed craftsmanship of the Vijayanagara artisans.

10. Jog falls- Located in the Shimoga district, is one of the highest plunge waterfalls in India. The waterfall drops directly down 830 feet without streaming onto the rocks, creating a spectacular view. The falls consist of four distinct cascades named Raja, Rani, Roarer, and Rocket, which merge to form the mighty Jog Falls.

11. Murudeshwar Temple- is famous for its towering statue of Lord Shiva, which is one of the tallest in the world. The temple is located on the coast of the Arabian Sea, offering breathtaking views. The Raja Gopura (temple tower) is 20 stories high, and visitors can take an elevator to the top for panoramic views.

12. Gokarna Temple- The Mahabaleshwar Temple in Gokarna is a revered Hindu pilgrimage site dedicated to Lord Shiva. It houses the Atmalinga, which, according to legend, was given to Ravana by Shiva. The temple's Dravidian architecture and spiritual significance attract many devotees.

13. Om Beach- Om Beach in Gokarna is named for its distinctive shape, which resembles the sacred Hindu symbol 'Om'. It is a serene and scenic beach popular for its tranquil atmosphere, clean sands, and gentle waves. Visitors can enjoy swimming, sunbathing, and various water sports.

14. Yana Caves- located near Sirsi, are famous for their unique rock formations made of black limestone. The two main rocks, Bhairaveshwara Shikhara and Mohini Shikhara, rise dramatically amidst dense forests. The caves are a popular destination for trekkers and nature enthusiasts and are associated with various legends and mythologies.

IRCTC TICKETING POLICIES AND DISCLAIMER

We Would Like To Bring To Your Attention Some Essential Points Regarding The Ticketing Process With Trek-Karo India, As We Operate Through Irctc Certified Agents.

PLEASE TAKE NOTE OF THE FOLLOWING:

Ticket Confirmation Probability: Our System Generates Tickets Based On The Maximum Confirmation Probability, Taking Into Account The Remaining Days Until Your Departure. However, We Cannot Guarantee A 100% Confirmation For Waitlisted And Rac Tickets Each Time. It Is Crucial To Understand That Trek-Karo India Does Not Exercise Control Over The Confirmation Process, As Irctc Is A Government Body.

Seat Status And Responsibility: There Is A Possibility Of Receiving Rac (Half Seat) Or Waitlisted Tickets Instead Of Confirmed Seats. Trek-Karo India Is Not Responsible For Unconfirmed Tickets, Given The Nature Of The Irctc System.

Train Cancellations Or Route Changes: If A Train Is Cancelled Or Its Route Is Altered For Any Reason, Trek-Karo India Will Not Be Held Responsible. However, We Will Provide An Alternative Solution At An Additional Cost.

Booking In Advance: To Increase The Likelihood Of Securing A Full Seat On The Train, We Recommend Booking Your Trip At Least 20 Days In Advance. Seat Availability Varies Based On The Season, And During Peak Festive And Tourist Seasons, Obtaining Confirmed Seats May Be Challenging.

Agent Assistance And Alternatives: Our Agents Will Contact You To Propose Alternative Train Options With A Higher Chance Of Confirmed Tickets. Please Note That Opting For These Alternatives May Involve A Monetary Difference In The Ticket Amount, And You Will Be Liable To Pay The Additional Cost.

Chart Preparation And Predictability: While Our Predictability Tool Aims To Optimize Ticket Confirmation, There May Be Instances Where Predictions Fail, Resulting In Rac Seats After Chart Preparation. Trek-Karo India Is Not Responsible For Providing Full Seats Or Issuing Refunds In Such Situations, As It Involves Government Transport Regulations.

Premium Trains: Premium Trains Such As Rajdhani And Duranto Have Fares That Are 50% Higher Than Regular Trains. However, They Offer The Highest Confirmation Probability, Providing A Viable Option For Travellers Seeking Assured Seating.

Last-Minute Cancellations: It Is Important To Note That Last-Minute Cancellations May Not Always Be Feasible, Considering Our Agents' Fixed Time Slots And Various Associated Factors.
